The workshop began on 30/01/2019 with a pretest. The workshop was inaugurated by a formal announcement by Dr. D. P. Puranik, Director of C.P.G.S.R. & A. Dr. S. V. Deshpande, Principal, Dr. Saroj Patil & Dr. Mihir Hajarnawis- both the Vice Principals and all the members of the Research Committee were present for the inaugural announcement. The inaugural announcement was followed by the first lecture by Dr. Mohan Joshi on Introduction to Research Methods. He detailed about all methods of research applied to Ayurveda. The lecture was interactive with questions and answers.

This lecture was followed by a series of three lectures and one group activity on Study Designs by Dr. Ranjana Sahastrabuddhe from Bharati Medical College, Pune. The first part of Study Designs was a lecture on Experimental studies. This was followed by the lectures on Descriptive studies and then a lecture on Case Control and Cohort Studies. This was held in the morning session. The evening session began post lunch by a group activity conducted by Dr. Mohan Joshi, Dr. Saroj Patil & Dr. Apoorva Sangoram. The participants were divided into nine groups. Each group discussed amongst themselves and came out with 2 research questions and related hypothesis. They indicated- why the topic was selected by the group over other

topic, the type of study with reasons thereof, and indicated dependent and independent variables included in the study.

This was followed by the interactive and very much appreciated lecture on Types of Data and Data Presentation by Dr. Mohan Joshi, T.A.M.V, Pune. Thereafter lecture on Literature search and group activity on Literature search was conducted by Dr. Yogini Patil, T.A.M.V, Pune. Each group tried to search references related to topics finalized and discussed in the groups. The sessions were coordinated by, Dr. Saroj Patil, Vice-principal T.A.M.V. Pune and Dr. Mohan Joshi secretary of the research committee of Tilak Ayurved College.

The second day morning session on 31/01/2019 began with the lecture on 'Questionnaire Designing' by Dr. Apoorva Sangoram, TAMV, Pune. This lecture was followed by lecture and group activity on Inferential Statistics by Dr. Supriya Bhalerao, B VDU, Pune. Also, she conducted lecture on evaluation of Diagnostic Test. Post Lunch session started with the lecture on Sampling Methods and Sample Size with a group activity on sample size by Dr. Prasad Pore, B VDU, Pune. Participants were divided into groups and each group discussed and presented the sampling method adopted for the study /studies selected, as well as discussed and presented sample size determined for the study. The sessions were coordinated by Dr. Mihir Hajarnavis and Dr. Vinaya Dixit member of the research committee of Tilak Ayurved College.

The third day of the workshop began on 01/02/2019 by a lecture on Critical Evaluation of Journal Article by Dr. Suvarna Joshi, Associate Professor from Department of Microbiology, B.J. Medical College, Pune. Two journal articles (different study designs) were presented and discussed by the groups. This was followed by a lecture on Computer assistance in Data Analysis Excel and EPI Info by Dr. Mohan Joshi, secretary of the research committee of Tilak Ayurved Mahavidyalaya.

Later Dr. Suvarna Joshi conducted lecture on writing a Research Protocol. The evening session began post lunch by the lecture and group activity on Ethical Issues in Medical

Research by Dr. S. L. Jadhav, Professor and Head of Community Medicine, Dr. D. Y. Patil Medical College, Pune. This was followed by a lecture on Qualitative Research Methods by Dr.

S. L. Jadhav. Thereafter last lecture of the third day was delivered on the topic 'Application of Research Methodology in Ayurved conducted by Dr. Mrs. Vinaya Dixit TAM V, Pune.

These lectures and group activity were coordinated by Dr. Saroj Patil and Dr. Manjiri Deshpande member of the research committee of Tilak Ayurved Mahavidyalaya.

All the lectures were designed as per the guidelines provided by IMETTT, MUHS, Pune. All the group activities were supported by the research committee members of the college. All the participants were given soft copy of the study material at the end of the workshop.

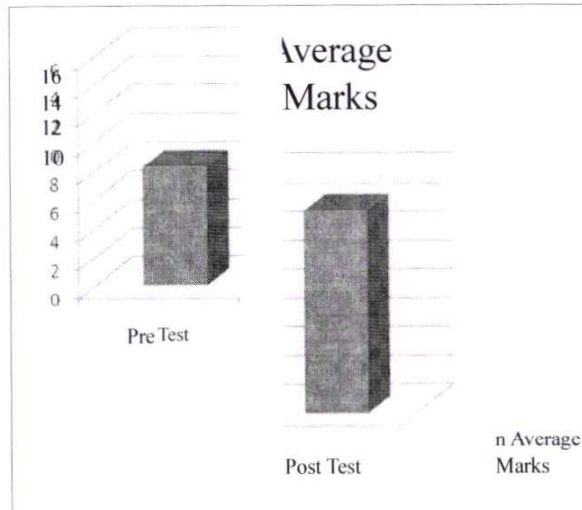

The post test was conducted after the last lecture. The feedback for all three days was received from the participants on daily basis. Feedback given by the participants revealed that:

- 1) the objectives of the workshop were achieved.
- 2) 98% of the participants found the workshop to be useful for their professional activities.
- 3) All the faculty was resourceful and helpful.
- 4) All the participants thought that they will be able to implement topics learnt in the workshop.
- 5) Workshop had a balance of theory and practical.
- 6) Time schedule was too tight.
- 7) Group activities would benefit for application of research methods and statistics of the dissertation work.
- 8) All the participants were amazed by the lectures, group activities, interactive sessions and arrangements of the workshop.

The result of the pre and post test shows a positive change in the knowledge of the participants about the topics of Research Methodology. The pretest average and posttest average of the participants: Mean score of Marks was improved from 08.31 (pre test) to

14.16 (post test).

The students and teachers participated in all the sessions interactively and all the participants liked the workshop. Dr. Mrs. Sangeeta P. Sawant worked as Coordinator of the workshop.
