No any suggestion

No comments

No any suggestions.

Please cover syllabus on time.

Change in course structure

Not Specific

not specific

Give us practical knowledge in clinic

we want to check patuents purely on ayurved basis. nd need more clinical time.

Practical based explanation should be more

Course time table will be same as tha batch of 2016

No change is needed.. It's sufficient

No suggestions

Non specific

Stipend,online learning

Everything is good and satisfactory

Non specific

It is sufficient

everything is good

Change the way of teaching make it more clinical and applied

Students lag rctl knowledge so that should be tackled

Involvement of Modern Medical Science in Ayurveda

Plz change the course structure means time of each year.

They should be More practically teaching , Patients cases should be discussed frequently

No more improvement required

Practical teaching

□□

It is okay

More facilities should be provided

Examination and assignments

Interactive courses

teaching method

Admission of 1st year must be early as duration is insufficient to cover the syllabus

Increase the time period for respective year because its not easy to complete the whole syllabus

12months should be given for course

Increase in time for 1 BAMS course

Tilak Ayurved Mahavidyalaya, 583/2, Rasta Peth, Pune

DEPARTMENT OF LIBRARY

Instructions to the Students: Please tick ✓ the response against your choice on the right side in response column using the Key below

Feedback on Library

	Fair	Good	Nice	Excellent
I. (Resources) Library offers various methods for easy availability of Resource Material				
1. Textbook Reference book and their recent editions are adequately available				
2. General & Special Collection in the library like past examination brochures are available				
3. Database and article searching facility is available				
II. (Facilities) Library offers a range of facilities that supports the use of library services				
1. Optimum, noise and disturbance free atmosphere is maintained				
2. Reading Room is spacious and has adequate furniture with comfortable seating arrangement for learning Purpose				
3. Easy access to Referenc book				
III (Services) Library offers a range of Services that support use of library services				
1. Library staff is courteous & well behaved				
2. Borrowing process for books & journals are completed within a reasonable time.				
3. Adequate help & guidance is provided by library staff whenever needed				
4. Adequate help & guidance is provided at digital library whenever needed				

To provide application base practicals in patients than theory

No idea to share

No changes

Syllabus is too vast....

There should be more questions on modern syllabus as compared to recent exam papers.

more concentrations on ayurvedic part

No comment

Provides ppt presentation

Please change the exam question paper pattern.... modern medical syllabus is also there bt in exam most of thr questions are from ayurvedic part...this is so unfair....

Never

no argument

Change in the course of examination

Campus and respect should be given to students

Appropriate time should be provided to cover whole syllabus

Just want more Importance to the Course

Take extra lecture & extra practicals

As a student of ayurveda, every department should encourage all the students to study the depth of ayurveda and practice the same. The seriousness among the students about this issue seems less...so it is a need to increase imp of ayurveda in their mind.

Change in course str.

Remove Sanskrit subject from 1st year syllabus

Cover whole syllabus

Time should be extended for learning hours

Provides ppt presentation more

Cover whole syllabus with clinical information. provide suitable and extra lecture for sanskrit and aashtang hruday .Take practice paper on whole syllabus. If possible add biochemistry in BAMS COURSE. □

Not any specific

Shlok learning activity should conduct

Keep appropriate time for study because syllabus is not completed

no

All good no specific suggest

Needed digital teachings

Assignment

No.

In first year biochemistry is essential

No suggestion s

Ntg

more clinical approach should be showed

EXAMINATION PAPERS should be checked strictly....nd any student should not be promoted

More Practicals, Clinical Batch

Academic year should be of one and half year. And subjects assigned each year must be reshuffled

Attendance should be Strictly compulsory

Clinical postings should be taught near the patient which will improve our practical knowlegdge

Ayurvedic approach should be more.

Ayurvedic part in syllabus should increase

extra attention by teachers and practice teaching is nessesary

Syllabus should be taught practice oriented not exam oriented and ayurvedic part should be taught through granthas

To arrange special guest lectures .

Need more practice on patients

Teaching of samhitas should be necessary, Ayurveda realated concepts.

Weightage for modern syllabus should increase in examination.

1-Nidan and Dravyagun subject should be at a time in course 2-Teaching method should be practice oriented not by exam oriented.

This profession is more related to practical aspect so more practical approach should be there

Teach how to deal wid patient ..
