ACADEMIC TERM PLANNER (ATP) - THEORY

Teaching Programme for Shalakya Tantra

Academic year: 2025-2026

(October-March Term II)

Course: Third Professional BAMS

Sub: Shalakya Tantra

(Ophthalmology, Oto-Rhino-Laryngology & Oro-Dentistry)

October 2025			
Sr. No.	Date	Topic	Name Of The Faculty
1.	27/10/2025	Bhedana in Netraroga (Indications, Contraindications, Incision Techniques and Procedures; and to recognize and manage complications)	Dr. Meghana Phopaliya
2.	29/10/2025	Hetu, Samprapti, Lakshanas and Chikitsa of Karna Badhira. Types of Hearing Loss (Conductive, Sensorineural and Mixed) and its investigations (Tuning Fork Test, Audiometry, Impedance Audiometry). Summarise Etiology, Pathology, Differential Diagnosis of Otosclerosis, Medical and Surgical Management of Otosclerosis.	Dr. Sangeeta Salvi
3.	30/10/2025	Pothaki and Sikatavartma (Trachoma)	Dr. Jaydeep Gangal

November 2025			
Sr. No.	Date	Topic	Name Of The Faculty
1.	03/11/2025	Lekhana in Netraroga (Indications, Contraindications, Techniques and Procedures; and recognize and manage complications).	Dr. Rasika Ladke
2.	06/11/2025	Vatahatavartma and Nimesha Ptosis.	Dr. Jaydeep Gangal
3.	10/11/2025	Chhedana in Netraroga (Indications and Contraindications for Excision Techniques and Procedures; and to recognize and manage complications).	Dr. Meghana Phopaliya
4.	12/11/2025	Explain Hetus, Lakshanas, Samprapti and Chikitsa of Karna Naada, Karna Kshweda. Describe types and Causes, Investigation and Treatment of Tinnitus.	Dr. Sangeeta Salvi
5.	13/11/2025	Klinnavartma and Utklishtavartma.	Dr. Jaydeep Gangal
6.	17/11/2025	Agnikarma and Ksharakarma in Netraroga (Indications, Contraindications, Techniques and Procedures; and recognize and manage complications).	Dr. Rasika Ladke
7.	19/11/2025	Hetu, Lakshana, Samprapti and Chikitsa of Karna Srava.	Dr. Sangeeta Salvi
8.	20/11/2025	Arma (Pterygium).	Dr. Jaydeep Gangal

Dr. J. R. Gangal

Dr. Rasika Ladke

Dr. Meghana Phopaliya

Dr. Sangeeta Salvi

9.	24/11/2025	Explain the indications, contraindications, dosage and untoward effects of Dyes used in Ophthalmology (Flourescien and Rose bengal stain).	Dr. Meghana Phopaliya
10.	26/11/2025	Etiology, Pathology, Clinical Features and Management of Acute Suppurative Otitis Media (ASOM) Etiology, Pathology, Clinical Features and Medical Management of Safe Chronic Suppurative Otitis Media (Safe CSOM), Unsafe Chronic Suppurative Otitis Media (Unsafe CSOM) and Serous Otitis Media (SOM). Complications of Otitis Media. Etiology, Pathology, Clinical Features, and Medical Management of Mastoiditis.	Dr. Sangeeta Salvi
11.	27/11/2025	Medical management and Surgical excision of Arma (Pterygium).[Arma Chhedana, Conjunctival limbal autograft or amniotic membrane graft with Its indications, contra-indications, type of anaesthesia, major surgical steps and post-operative care.]	Dr. Jaydeep Gangal

December 2025			
Sr. No.	Date	Topic	Name Of The Faculty
1.	01/12/2025	Indications, contraindications, dosage and untoward effects of Anti-inflammatory agents (Ketorolac, Flurbiprofen), and Steroids (Dexamethasone and Prednisolone) used in Ophthalmology.	Dr. Rasika Ladke
2.	03/12/2025	Samprapti Lakshanas and Chikitsa of Karna Kandu. Etiology, Pathology, Clinical Features and Management of Otomycosis.	Dr. Sangeeta Salvi
3.	04/12/2025	Etiology, clinical features and management of Sub-Conjunctival Haemorrhage. Describe clinical features and management of Shuktika and Pishtaka.	Dr. Jaydeep Gangal
4.	08/12/2025	Explain the indications, contraindications, dosage and untoward effects of Antibiotics (Bacitracin, Moxifloxacin, Tobramycin, Gentamycin), antifungal agents (Amphoterecin, Natamycin, Fluconazole), and antiviral agents (Trifluridine, Acyclovir).	Dr. Meghana Phopaliya
5.	10/12/2025	Samprapti, Lakshanas, Upadrasas and Chikitsa of Karna Guthaka (Ear Wax). Samprapti, Lakshanas and Chikitsa of Karna Pratinaha and Krimikarna (Maggots in Ear). Hetu, Lakshanas, Samprapti and Chikitsa of Karna Vidradhi, Karnapaaka (Otitis Externa).	Dr. Sangeeta Salvi
6.	11/12/2025	Clinical features and management of Sirajala and Sirajapidika.	Dr. Jaydeep Gangal
7.	15/12/2025	Indications, contra indications, dosage and untoward effects of lubricating agents and artificial tears (CMC, HPMC, Carbomers, Poly-vinyl Alcohol and Acetylcysteine).	Dr. Meghana Phopaliya
8.	17/12/2025	Types of Rhinitis. Etiology, Pathology and Clinical Features of Acute Non-specific Rhinitis (The common cold), Allergic	Dr. Sangeeta Salvi

		Rhinitis, Chronic Hypertrophic Rhinitis and Atrophic Rhinitis.	
9.	18/12/2025	Etiology, clinical features and treatment of Episcleritis and Scleritis.	Dr. Jaydeep Gangal
10.	22/12/2025	Organizational structure, purpose and need of growth of Eye Banks.	Dr. Rasika Ladke
11.	24/12/2025	Samprapti, Lakshana and Chikitsa of Peenasa, Apeenasa, Putinasa (Sinusitis). Sinusitis and its types. Etiology, pathology, clinical features, differential diagnosis, radiological and laboratory investigations, complications and medical treatment of Sinusitis (Frontal and Maxillary). Surgical Treatment of Sinusitis- Functional endoscopic sinus surgery. (Its indications, contraindications, type of anesthesia, major surgical steps, post-operative care, complications and their management in brief).	Dr. Sangeeta Salvi
12.	29/12/2025	The Objectives, Awareness & Significance of Eye donation.	Dr. Meghana Phopaliya
13.	31/12/2025	Types of Nasavamsha-kutilatwa (Deviated Nasal Septum). Etio-pathology, Clinical Features, Differential Diagnosis, investigations, complications, and medical management of Nasavamsha-kutilatwa (Deviated Nasal Septum).	Dr. Sangeeta Salvi

January 2026

Sr. No.	Date	Topic	Name Of The Faculty
1.	01/01/2026	Krishnagata Rogas. Clinical features, management & Sadhya-asadhyata of Savrana Shukra (Corneal Ulcer).	Dr. Jaydeep Gangal
2.	05/01/2026	Indications, techniques, risks and complications of corneal transplantation.	Dr. Rasika Ladke
3.	07/01/2026	Aetiopathogenesis, clinical features, prevention and treatment of Gingivitis and Periodontitis. The indications for referral in Dantamoolagata Roga	Dr. Sangeeta Salvi
4.	08/01/2026	Corneal Ulcers. Etiology, clinical features, management and complications of Bacterial, Viral and Fungal Corneal Ulcers.	Dr. Jaydeep Gangal
5.	12/01/2026	National Programme for Control of Blindness.	Dr. Meghana Phopaliya
6.	14/01/2026	The clinical features and treatment of Paridara, Adhimamsa (Impacted wisdom tooth) The Nidana, Samprapti, clinical features, classification and treatment of DantaNaadi.	Dr. Sangeeta Salvi
7.	15/01/2026	Etiology, clinical features, types, prognosis and management of Avrana Shukra (Corneal Opacity)..	Dr. Jaydeep Gangal
8.	19/01/2026	Management and complications of Conjunctivitis.	Dr. Rasika Ladke
9.	21/01/2026	The Clinical features and treatment of Vatika, Paittika and Kaphaja Jihvakantaka and Alasa.	Dr. Sangeeta Salvi

10.	22/01/2026	Describe Etiology, Clinical features and Treatment of Ajakajata.(Anterior Staphyloma)	Dr. Jaydeep Gangal
11.	28/01/2026	Describe the Samprapti, clinical features and treatment of Krimidantaka (Dental carries), and Dantaharsha (Dentin hypersensitivity).	Dr. Sangeeta Salvi
12.	29/01/2026	Clinical features and treatment of Sirashukla and clinical features of Akshipakatyaya.	Dr. Jaydeep Gangal

February 2026

Sr. No.	Date	Topic	Name Of The Faculty
1.	02/02/2026	Kriya Shareera of Karna and Shravanendriya. The Physiology of Equilibrium	Dr. Meghana Phopaliya
2.	04/02/2026	Common Dravyas used in Karna Nasa Mukha Roga- Antibiotics, PPIs, Steroids, Antihistamines, Nasal Decongestants, and Anesthetic drugs.	Dr. Sangeeta Salvi
3.	05/02/2026	Expound Tarakamandala-shotha (Acute Iridocyclitis.)- investigations, differential diagnosis, clinical features, treatment and complications.	Dr. Jaydeep Gangal
4.	09/02/2026	National Program for Prevention and Control of Deafness. Elaborate Causes and ill effects of Noise Pollution.	Dr. Rasika Ladke
5.	11/02/2026	Indications, Contra-Indications, Types and Basic Surgical Steps in Tympanoplasty.	Dr. Sangeeta Salvi
6.	12/02/2026	Applied anatomy of Uvea (Anatomical and Etiological) classification of Uveitis.	Dr. Jaydeep Gangal
7.	16/02/2026	Samprapti, Lakshanas and Chikitsa of Putikarna	Dr. Meghana Phopaliya
8.	18/02/2026	Differential Diagnosis, Investigations, Complications, and Treatment of Acute Non-specific Rhinitis (The common cold)	Dr. Sangeeta Salvi
9.	23/02/2026	Differential Diagnosis, investigations, complications, and medical treatment of Atrophic rhinitis and Allergic rhinitis. current research studies on Allergic rhinitis.	Dr. Rasika Ladke
10.	25/02/2026	Samprapti, Lakshana and Chikitsa of Deepta, Putaka, Nasaparishosha, Bhramshathu, Nasanaha, Kshavathu.	Dr. Sangeeta Salvi
11.	26/02/2026	Sarvagata Rogas; Describe Lakshana, Chikitsa and Complications of different types of Abhishyanda.	Dr. Jaydeep Gangal

March 2025

Sr. No.	Date	Topic	Name Of The Faculty
1.	02/03/2026	The clinical features and treatment of Sheetada, Upakusha, Dantaveshtaka and Dantavidradhi (Apical abscess).	Dr. Meghana Phopaliya
2.	04/03/2026	Surgical Management of Nasavamsha-kutilatwa (Deviated Nasal Septum).-- Sub mucous resection	Dr. Sangeeta Salvi

		(SMR)	
3.	05/03/2026	Etiological and Clinical Classification, Clinical features (Bacterial, Viral & Allergic) and differential Diagnosis of Conjunctivitis.	Dr. Jaydeep Gangal
4.	09/03/2026	The clinical features and management of ankyloglossia, Glossitis (Hairy tongue, Geographic tongue, Migratory Glossitis).	Dr. Rasika Ladke
5.	11/03/2026	Septoplasty. (Their indications, contraindications, type of anesthesia, major surgical steps, post-operative care, complications and their management in brief). Describe when to seek an expert opinion, and when to refer for surgery	Dr. Sangeeta Salvi
6.	12/03/2026	Hetu, Lakshana, Chikitsa and Upadrava of different types of Adhimantha and Hatadhimantha.	Dr. Jaydeep Gangal
7.	16/03/2026	Differential Diagnosis and Treatment of Chronic Hypertrophic Rhinitis.	Dr. Meghana Phopaliya
8.	18/03/2026	Root canal treatment.	Dr. Sangeeta Salvi
9.	23/03/2026 to 30/03/2026	Exam	

5.	11/03/2026	Septoplasty. (Their indications, contraindications, type of anesthesia, major surgical steps, post-operative care, complications and their management in brief). Describe when to seek an expert opinion, and when to refer for surgery	Dr. Sangeeta Salvi
